SUBJECT: **2012 BROWARD STUDENT LEADERS CONFERENCE**

The annual Broward Student Leaders Conference will be held on **Wednesday, March 7, 2012** at Nova Southeastern University. On site registration will start at 8:30 a.m. and the first General Session will start at 9:15a.m. The conference will conclude at 2:00 p.m. and students must remain for the entire conference. The date of the Broward Student Leaders Conference is dictated by Nova Southeastern University's Spring Break.

Each high school is entitled to send 12 delegates to the Broward Student Leaders Conference. Seniors are not eligible to attend as delegates. *Only* junior student leaders and potential leaders (i.e. club and class officers), who have passed the FCAT, are eligible to attend the Student Leaders Conference.

Students from McFatter Technical High School, Nova High School and Nova University School may make their own transportation arrangements. Transportation for students from all other schools will be provided and students from these schools will not be allowed to travel on their own. You will receive a copy of the bus schedule as soon as the arrangements are finalized.

Consideration should be given to your school's student government advisor to act as chaperone for your students as there will be a series of workshops for the advisors conducted in conjunction with the student workshops. If, due to FCAT testing, the student government advisor cannot attend, the senior or junior class sponsor may be sent. The Department of Student Activities and Athletics will assume the cost of a substitute for this person to attend. The coding for the substitute teacher is: **Business Area:** your school info. **Type:** 3, **Location:** your school, **General:** Zero (0), **Functional Area:** 5719761000000000.

Once again, Mike Smith will be the keynote speaker and Mr. Smith will conduct a workshop for advisors following the morning's opening session.

Please remember, with the exceptions mentioned above, no students are to make their own transportation arrangements and all of the students are to remain for the entire session. Also, registration forms **will not be accepted after Tuesday, February 21, 2012.**
