Each high school is entitled to send 12 delegates, **at a cost of \$15 per delegate**, to the Broward Student Leaders Conference. **Seniors are not eligible to attend** as delegates. Junior student leaders who have passed the FCAT, other underclass leaders approved by the schools administration and potential leaders (i.e. club and class officers) are eligible to attend the Student Leaders Conference.

Transportation for students and student staff members from all schools no students will be allowed to travel on their own with the exception of Nova High School and McFatter Technical. You will receive a copy of the bus schedule as soon as the arrangements are finalized.

Consideration should be given to your school's student government advisor to act as chaperone for your students as there will be a series of workshops for the advisors conducted in conjunction with the students' workshops. If, due to FCAT testing, the student government advisor cannot attend, the senior or junior class sponsor may be sent.
