

SOUTH FLORIDA LEADERSHIP TRAINING CAMP

What is the South Florida Leadership Training Camp (SFLTC)?

SFLTC is a four-day leadership workshop for high school student government leaders that runs simultaneously with Camp Eagle-Advanced Leadership Training Camp. Student leaders who attend this workshop will be given an opportunity to participate in a variety of leadership development activities that are conducted in both small and large groups.

Sessions will be devoted to specific areas including:

- A. Goals, Aims and Objectives of Student Government.
- B. Self-Awareness and Group Dynamics
- C. Parliamentary Procedure
- D. Problem Solving and Decision Making
- E. Planning, Organization and Time Management
- F. Goal Setting
- G. Communication
- H. Evaluation

In addition, student leaders will have the opportunity to share ideas and projects, demonstrate their own unique abilities and make friends and contacts with students from throughout the state.

Who is sponsoring this workshop?

SFLTC is being sponsored by the Student Activities Department of the School Board of Broward County, Florida in association with the Florida Association of School Administrators/Florida Association of Secondary School Principals.

Who is on the instructional staff?

The junior staff consists of educators and students who have graduated from high school and who have volunteered to be Junior Counselors.

The adult staff consists of teachers who have been or who are currently student activities advisors in Florida high schools. These adult staff members have served on the staff of numerous leadership workshops and have many years experience in student leadership development.

Where is the workshop held?

Nova Southeastern University in Davie (Ft. Lauderdale), Florida.

When will the workshop be held?

The workshop will be held July 8-12, 2019.

What kind of accommodations will the delegates have?

SFLTC staff will make all room assignments. Students will be housed in student dormitories. Delegates from the same school will **not** be assigned as roommates.

How do delegates get to the workshop?

Delegates must make their own arrangements to reach the workshop. If students drive themselves to the workshop, they will not be allowed to drive their vehicles from the time they arrive until the workshop is over. The SFLTC staff will make arrangements to transport students to and from the local train and bus stations if such assistance is requested and if the arrival time is before 1:00p.m.

What about early departure/temporary dismissal?

It is STRONGLY discouraged. All fees for housing, food, supplies, etc. for each student, for the entire camp period, have to be paid for in advance. It is our recommendation that only students who can attend the camp for the **full** time be encouraged to participate.

What about a student who is properly registered does not arrive at camp?

1. The camp staff will immediately attempt to reach the student's parents or guardian to report the student's absence.
2. The student's high school will be notified of the student's absence shortly following the completion camp.
3. Due to the fact that for the past four years, the camp has reached capacity, resulting in entire school delegations having to be turned away, the department considers it mandatory that we recoup any dept funds used to pay the registration fee for a delegate that is a no-show. Therefore the Department of Student Activities will invoice the school for those funds.
4. Whether the school paid all of the registration fee or part of the registration fee, if the student is a no-show and made no attempt to notify the school in a timely manner, it is recommended that the school place an obligation against the student for whatever the school paid on that student's behalf.

Is there a dress code?

Yes. The dress code specified by the School Board of Broward County, Florida in conjunction with the FASA/FASSP will be enforced. However, students should be informed that the camp will provide three tee shirts for Tuesday through Thursday and if possible to please bring a "school" shirt.

Are there other rules of conduct that will be enforced?

Yes. Most of them will be discussed at the workshop's first general session, however a few should be mentioned here.

Any delegate who is found in possession of drugs, alcohol beverages, or who leaves the workshop campus, or who is found in the room of a member of the opposite sex will be sent home at his/her parent's expense. In addition, his/her principal will be immediately notified.

What should a delegate bring?

1. A pillow, towels and bed linen (including a light blanket) for a long single bed.
2. An alarm and toiletries (don't pack to share)
3. A pencil or pen (these are needed at each session).
4. A positive attitude and an open mind.
5. A sweatshirt or light jacket
6. Extra money for snacks, film, etc.

Can a delegate bring a musical instrument, camera or radio?

Yes. In fact, delegates are encouraged to bring a musical instrument if they play one. Media players are permitted but may not be brought to any of the sessions.

What should not be brought to the workshops?

1. Alcoholic beverages or drugs.
2. Valuable jewelry.
3. A bad attitude.

Will there be some recreational time allowed?

Yes, delegates will want to bring some recreational clothing. (Keep in mind this is a school type sponsored function)

Do delegates need to bring a coat and tie or nice dress for a special event?

While there will be no coat and tie event at SFLTC, there will, however, be events that take place in the Nova High School Gymnasium and Auditorium and it is usually cold in those partially filled buildings so **jeans would be a good choice for those evening events**. It is **highly recommended that shorts** be worn to all other events. Please remind all delegates that the dress code of the School Board of Broward County will be enforced and delegates should pack accordingly.

Do delegates need parental permission forms?

Yes. Every delegate must submit a signed copy of all permission forms included in the registration packet.

Do delegates have to have an advisor attend with them?

No. Advisors are encouraged to attend but not required. Those who do attend must register as a delegate just as the student.

Who may attend?

Rising sophomores, juniors and seniors from any high school in the state of Florida may attend. Preference should be given to student government, class and club officers who will be serving during the following school year. **Please note: Returnees will no longer be accepted at for SFLTC. Returnees can attend Camp Eagle only.** No more than 240 students from throughout the state will be accepted.

What is the registration fee and when is the registration deadline?

The registration cost for the camp is **\$385.00** per delegate. It is not expected that the registration will increase in the near future.

The deadline for registration is May 10, 2019.

What about refunds?

No refunds will be made after **May 31, 2019**. However, substitute delegates may be sent as long as the **substitute delegate is of the same sex as the delegate they are replacing**. Substitute delegates must bring all of the necessary permission forms with them. *Note: opposite sex substitutions will only be accepted through 3pm on Thursday, June 20, 2019.*

How can I get a registration form for my school?

A complete informational booklet is on this disc. Information and registration material may also be obtained from our camp website: www.sfltc.com

Who can provide additional information about the SFLTC?

Additional information can be obtained by writing or calling: the Department of Student Activities and Athletics of the School Board of Broward County, FL. The office telephone number is (754) 321-1200.

How can someone become a staff member?

Teachers can become adult staff members by contacting the Department of Student Athletics and Activities, the Broward County School District, telephone number (754) 321-1200. Graduating seniors can apply to be Junior Counselors the same way.
