**SUBJECT: BCASC WORKING COMMITTEES
COUNTY CONVENTION STUDENT LEAD WORKSHOPS**

Attached you will find a list of working committees that will make recommendations for the BCASC for the 2019-2020 school year. These committees will meet prior to the April 26, 2019, BCASC Convention. The recommendations made by these committees will be acted upon by the BCASC at the business meeting, which will be held during the convention. Please make arrangements for at least one member of your school's SGA to volunteer to serve on a committee. Students will not be able to volunteer to serve on a specific committee; committee assignments will be made by the high school Vice-president. Not all of the students whose names are submitted will be assigned to a committee.

You will also find, attached, an application for a student-lead workshop. If your SGA decides to lead a workshop, the Student Workshop Form must be submitted to the Department of Student Activities by the first school Wednesday in April 2019. Student-lead workshops must be presented by student delegates who are attending the county convention. Presenting a workshop does not entitle a school to free delegates.

Thank you for your continued cooperation.
