## **The 2023 District VI Convention**

### ***Route D6***

This year's District VI Convention will take place at South Plantation High School on Saturday, January 14, 2023. Registration will begin at 8:30 am and the convention will begin at 9:00 am. Breakfast and lunch will be served, and we will be ending around 5 pm.

Elections will take place for the 2023-2024 District VI officer board. The Intent to Run form is attached. The rules and guidelines are included on the form. We will also host the District VI Project Awards. The project books will follow the same guidelines for the FASC Project Awards. If your school is submitting project books, the advisor **MUST** help judge the project books.

The District VI project is spreading awareness of teen dating violence in the community and how to look for signs that someone is experiencing it. It is critical that we make sure that as many people as possible know about abuse in teenage relationships because this way spotting abusive behaviors will help prevent harm to those in our communities. Anything helps, and we can't wait to see what your school does to promote this cause! We will be doing different projects at each meeting to help you learn more about dating violence in adolescents together as a District. Please send photos or reports of what your school does for the project to Mahela Plasencia, [mahelaplasencia@gmail.com](mailto:mahelaplasencia@gmail.com).

The state convention will be hosting a talent show this year. Each district has been asked for two acts to participate in the talent show. We will host a talent show at our District VI convention. If you are planning on attending the state convention and would like to participate in the talent show, please indicate this on your registration. You **MUST** present your talent show act at the District VI Convention in order to be eligible to participate in the state convention talent show.

If your students would like to host a workshop during the District VI Convention, please have them email Lily Johnston at [ljohnston.monarchsga@gmail.com](mailto:ljohnston.monarchsga@gmail.com). In the email, please include the presenter's name, workshop topic, phone number, and email. If you need any specific requirements make sure to include them in the email. Students will present their 25-minute workshop for 3 rotations.
