

<https://band.us/en>

BAND benefits Cypress Bay's Student Government in a variety of ways. We are able to both communicate with our members, as well as setting a calendar for the year. We also set polls where students have the ability to vote on their favorite E-Board shirts, sign up for quarterly projects, and school wide events.

BAND

<https://www.microsoft.com/en-us/microsoft-teams/log-in>

Over the 2020-2021 school year, COVID-19 made it harder to meet with members, but not impossible. We decided to use teams both for class and monthly meetings with all SGA members. This was a phenomenal resource that we will continue to use over the 2021-2022 school year.

TEAMS

At **Cypress Bay High School** we use a variety of resources to help us communicate and improve overall efficiency. Our website serves as a hub for all clubs, service hour opportunities, events, and more!

INSTAGRAM

When it comes to social media, our student government platform isn't to communicate with our members, but to spread the word about all events throughout the school. The great thing about social media is that once it's out there, its spreads like wildfire.

CANVA

Canvas is a great app for making SMB's (Social Media Blasts) or even quick flyers. We have been using canva for a couple of years now, and it is absolutely terrific!
