

Scrapbook Judging Criteria

I. Content

Category	5	4	3	2	1
Scrapbook (the scrapbook is clean, unbroken/sturdy, with page protectors and blank pages are removed)					
Neatness (pictures and accents are neatly trimmed, secured with enough adhesive with no smudges or glue stains; all writing is neat)					
Practicality (time frame of album is from convention to convention, includes BCASC events, and is an extremely useful recruitment tool)					
Creativity (pictures and accents reflect an exceptional degree of originality in their selection, design, and display)					
Picture Quality (photos are up to date, clear and in focus; not too dark or light from over exposure)					

Content Score _____

II. Book Structure

CATEGORY	5	4	3	2	1
Cover Design (Design displays creativity and originality. Must include school name and year.)					
Title Page (Includes school name, town, total # of members. It can also include a picture of SGA officers or members)					
Table of Contents (events are organized chronologically and dates are included)					
Labeling (proper headings and brief descriptions are included)
